"Section 5. The School Code is amended by changing Sections 27A-11, 27A-11.5, and 34-49 as follows:

(105 ILCS 5/27A-11)

Sec. 27A-11. Local financing.

(a) For purposes of the School Code, pupils enrolled in a charter school shall be included in the pupil enrollment of the school district within which the pupil resides. Each charter school (i) shall determine the school district in which each pupil who is enrolled in the charter school resides, (ii) shall report the aggregate number of pupils resident of a school district who are enrolled in the charter school to the school district in which those

[Apr. 4, 2001]

pupils reside, and (iii) shall maintain accurate records of daily attendance that shall be deemed sufficient to file claims under Section 18-8 notwithstanding any other requirements of that Section regarding hours of instruction and teacher certification.

(b) Except for a charter school established by referendum under Section 27A-6.5, as part of a charter school contract, the charter school and the local school board shall agree on funding and any services to be provided by the school district to the charter school. Agreed funding that a charter school is to receive from the local school board for a school year shall be paid in equal quarterly installments with the payment of the installment for the first quarter being made not later than July 1, unless the charter establishes a different payment schedule.

All services centrally or otherwise provided by the school district including, but not limited to, rent, food services, custodial services, maintenance, curriculum, media services, libraries, transportation, and warehousing shall be subject to negotiation between a charter school and the local school board and paid for out of the revenues negotiated pursuant to this subsection (b); provided that the local school board shall not attempt, by negotiation or otherwise, to obligate a charter school to provide pupil transportation for pupils for whom a district is not required to provide transportation under the criteria set forth in subsection (a)(13) of Section 27A-7.

In no event shall the funding be less than 75% or more than 125% of the school district's per capita student tuition multiplied by the number of students residing in the district who are enrolled in the charter school.

It is the intent of the General Assembly that funding and service agreements under this subsection (b) shall be neither a financial incentive nor a financial disincentive to the establishment of a charter school.

The charter school may set and collect reasonable fees. Fees collected from students enrolled at a charter school shall be retained by the charter school.

(c) Notwithstanding subsection (b) of this Section, the proportionate share of State and federal resources generated by students with disabilities or staff serving them shall be directed to charter schools enrolling those students by their school districts or administrative units. The proportionate share of moneys generated under other federal or State categorical aid programs shall be directed to charter schools serving students eligible for that aid.

(d) The governing body of a charter school is authorized to accept gifts, donations, or grants of any kind made to the charter school and to expend or use gifts, donations, or grants in accordance with the conditions prescribed by the donor; however, a gift, donation, or grant may not be accepted by the governing body if it is subject to any condition contrary to applicable law or contrary to the terms of the contract between the charter school and the local school board. Charter schools shall be encouraged to solicit and utilize community volunteer speakers and other instructional resources when providing instruction on the Holocaust and other historical events.

(e) (Blank).

(f) The State Board shall provide technical assistance, including information that clearly details the process, timelines, and criteria used to prepare and revise charter applications, to persons and groups preparing or revising charter applications. Other information, such as links to external resource organizations, may also be provided.

[Apr. 4, 2001]

(g) At the non-renewal or revocation of its charter, each charter school shall refund to the local board of education all unspent funds.

(h) A charter school is authorized to incur temporary, short term debt to pay operating expenses in anticipation of receipt of funds from the local school board.

(i) A charter school may (i) borrow money for the acquisition, construction, renovation, redevelopment, and equipping of school and educational facilities and for such other needs as determined by the governing body of the charter school, at such rates of interest as the governing body may determine, without regard to any referendum requirements, (ii) issue bonds, notes, and other obligations; and (iii) secure any of its obligations, including any obligation arising from the delivery of a guarantee described in subsection (k) of this Section, by pledge, mortgage, or deed on any or all of its property.

(j) The governing body of a charter school may pledge, as security for the payment of its obligations, grants or other revenues expected to be received from the local school board, the State, or the federal government or gifts, donations, or grants of any kind expected to be received by the charter school from any source.

Any such pledge is valid and binding from the time the pledge is made. The revenues, moneys, and other funds so pledged and thereafter received by the charter school shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act; and, subject only to the provisions of prior agreements, the lien of the pledge shall be valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the charter school irrespective of whether these parties have notice thereof. No ordinance, resolution, trust agreement, or other instrument by which the pledge is created needs to be filed or recorded except in the records of the charter school.

The State Treasurer, the State Comptroller, the Department of Revenue, the Department of Transportation, the State Superintendent of Education, any regional superintendent of schools, and the local school board shall deposit or cause to be deposited any amount of grants or other revenues expected to be received by a charter school from that official, entity, or local school board that have been pledged to the payment of obligations of the charter school, in accordance with the authorization of the charter school, directly into a designated escrow account established by and at the direction of the charter school. The resolution authorizing that deposit shall, within 10 days after adoption by the governing body of the charter school, be filed with the official, entity, or local school board having custody of the pledged grants or other revenues.

(k) A local school board may guarantee the repayment or otherwise enhance the credit of all or any portion of the debt obligations of a charter school located in the school district, without regard to any referendum requirements and subject to the terms negotiated between the local school board and the governing body of the charter school, provided that the term of any such guarantee or credit enhancement does not exceed 30 years.

The State Board may use up to 3% of the appropriation to contract with a non-profit entity to administer the loan program.

(105 ILCS 5/34-49) (from Ch. 122, par. 34-49)

Sec. 34-49. Contracts, expense and liabilities without appropriation. No contract shall be made or expense or liability incurred by the board, or any member or committee thereof, or by any person for or in its behalf, notwithstanding the expenditure may have been ordered by the board, unless an appropriation therefor has been previously made. Neither the board, nor any member or committee, officer, head of any department or bureau, or employee thereof shall during a fiscal year expend or contract to be expended any money, or incur any liability, or enter into any contract which by its terms involves the expenditure of money for any of the purposes for which provision is made in the budget, in excess of the amounts appropriated in the budget. Any contract, verbal or written, made in violation of this Section is void as to the board, and no moneys belonging thereto shall be paid thereon. Provided, however, that the board may lease from any Public Building Commission created pursuant to the provisions of the Public Building Commission Act, approved July 5, 1955, as heretofore or hereafter amended, or from any individuals, partnerships or corporations, any real or personal property for the purpose of securing space for its school purposes or office or other space for its administrative functions for any period of time not exceeding 40 years, and such lease may be made and the obligation or expense thereunder incurred without making a previous appropriation therefor, except as otherwise provided in Section 34-21.1 of this Act. Provided that the board may enter into agreements, including lease and lease purchase agreements having a term not longer than 40 years from the date on which such agreements are entered into, with individuals, partnerships, or corporations for the construction of school buildings, school administrative offices, site development, and school support facilities. The board shall maintain exclusive possession of all such schools, school administrative offices, and school facilities which it is occupying or acquiring pursuant to any such lease or lease purchase agreement, and in addition shall have and exercise complete control over the education program conducted at such schools, offices and facilities. The board's contribution under any such lease or lease purchase agreement shall be limited to the use of the real estate and existing improvements on a rental basis which shall be exempt from any form of leasehold tax or assessment, but the interests of the board may be subordinated to the interests of a mortgage holder or holders acquired as security for additional improvements made on the property; however, (1)---Provided---that the board may enter into agreements, including lease and lease purchase agreements, having a term not longer than 40 years from the date on which such agreements are entered into for the provision of school buildings and related property and facilities for an agricultural science school pursuant to subparagraphs (8) through (10) of Section 34-21.1, and such agreements may be made and the obligations thereunder incurred without making a previous appropriation therefor, and (2) the board may enter into agreements to guarantee the repayment or otherwise enhance the credit of the debt obligations of a charter school as provided in subsection (k) of Section 27A-11 of this Code for a term not to exceed 30 years. This Section does not prevent the making of lawful contracts for the construction of buildings, the purchase of insurance, the leasing of equipment, the purchase of personal

[Apr. 4, 2001]

property by a conditional sales agreement, or the leasing of personal property under an agreement that upon compliance with the terms of which the board shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration, the term of which may be for periods of more than 1 year, but, in no case, shall such conditional sales agreements or leases of personal property by which the board may or will become the owner of the personal property, provide for the consideration to be paid during a period of time in excess of 10 years nor shall such contracts provide for the payment of interest in excess of the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract, on the unpaid balance owing; nor shall this Section prevent the making of lawful contracts for the purchase of fuel and the removal of ashes for a period from July 1 of any year to June 30 of the year following, or the making of lawful contracts for the transportation of pupils to and from school, or the entering into of employment contracts with individuals or groups of employees for any period not to exceed 4 years, or the entering into contracts with third parties for services otherwise performed by employees for any period not to exceed 5 years provided that the contracts with third parties for services provided at attendance centers shall specify that the principal of an attendance center shall have authority, to the maximum extent possible, to direct persons assigned to the attendance center pursuant to that contract, or the making of requirement contracts for not to exceed one year the terms of which may extend into the succeeding fiscal year provided, however, that such contracts contain a limitation on the amount to be expended and that such contracts shall impose no obligation on the board except pursuant to written purchase order.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

There being no further amendments the bill was ordered to a third reading.

On motion of Senator Philip, Senate Bill No. 993 having been printed, was taken up and read by title a second time.

The following amendment was offered in the Committee on Judiciary, adopted and ordered printed:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 993 by replacing the title with the following:

"AN ACT in relation to child support."; and

by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Public Aid Code is amended by changing Section 10-16.5 as follows:

(305 ILCS 5/10-16.5)

Sec. 10-16.5. Interest on support obligations. A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

(Source: P.A. 91-397, eff. 1-1-00.)

Section 10. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 505 as follows:

(750 ILCS 5/505) (from Ch. 40, par. 505)

Sec. 505. Child support; contempt; penalties.

(a) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity of marriage, a proceeding for child support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, a proceeding for modification of a previous order for child support under Section 510 of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable and necessary for his support, without regard to marital misconduct. The duty of support owed to a minor child includes the obligation to provide for the reasonable and necessary physical, mental and emotional health needs of the child.

(1) The Court shall determine the minimum amount of support by using the following guidelines:

Number of Children	Percent of Supporting Party's Net Income
1	20%

[Apr. 4, 2001]

2	25%
3	32%
4	40%
5	45%
6 or more	50%

(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

- (a) the financial resources and needs of the child;
- (b) the financial resources and needs of the custodial parent;
- (c) the standard of living the child would have enjoyed had the marriage not been dissolved;
- (d) the physical and emotional condition of the child, and his educational needs; and
- (e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

- (a) Federal income tax (properly calculated withholding or estimated payments);
- (b) State income tax (properly calculated withholding or estimated payments);
- (c) Social Security (FICA payments);
- (d) Mandatory retirement contributions required by law or as a condition of employment;
- (e) Union dues;
- (f) Dependent and individual health/hospitalization insurance premiums;
- (g) Prior obligations of support or maintenance actually paid pursuant to a court order;
- (h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period that such payments are due and shall enter an order containing provisions for its self-executing modification upon termination of such payment period.

(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer's health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an

order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by personal service or by regular mail addressed to the respondent's last known address. The respondent's last known address may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems advisable;

(2) sentenced to periodic imprisonment for a period not to exceed 6 months; provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:

(A) work; or

(B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the minor children of the sentenced parent for the support of said minor children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that

[Apr. 4, 2001]

person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.

(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.

(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of Civil Procedure or a copy of the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section, any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be

[Apr. 4, 2001]

in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to the clerk, in addition to the child support payments, all fees imposed by the county board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act. Unless paid in cash or pursuant to an order for withholding, the payment of the fee shall be by a separate instrument from the support payment and shall be made to the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a provision requiring the obligor to notify the court and, in cases in which a party is receiving child and spouse services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the obligor, (ii) whether the obligor has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(h) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address. Section 15. The Non-Support Punishment Act is amended by changing Section 20 as follows:

(750 ILCS 16/20)

Sec. 20. Entry of order for support; income withholding.

(a) In a case in which no court or administrative order for support is in effect against the defendant:

(1) at any time before the trial, upon motion of the State's Attorney, or of the Attorney General if the action has been instituted by his office, and upon notice to the defendant, or at the time of arraignment or as a condition of postponement of arraignment, the court may enter such temporary order for support as may seem just, providing for the support or maintenance of the spouse or child or children of the defendant, or both, pendente lite; or

(2) before trial with the consent of the defendant, or at the trial on entry of a plea of guilty, or after conviction, instead of imposing the penalty provided in this Act, or in addition thereto, the court may enter an order for support, subject to modification by the court from time to time as circumstances may require, directing the defendant to pay a certain sum for maintenance of the spouse, or for support of the child or children, or both.

(b) The court shall determine the amount of child support by using the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(c) The court shall determine the amount of maintenance using the standards set forth in Section 504 of the Illinois Marriage and Dissolution of Marriage Act.

(d) The court may, for violation of any order under this Section, punish the offender as for a contempt of court, but no pendente lite order shall remain in effect longer than 4 months, or after the discharge of any panel of jurors summoned for service thereafter in such court, whichever is sooner.

(e) Any order for support entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support under the judgments, each such judgment to be in the amount of each payment or installment of support and each judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect, and attributes of any other judgment of this State, including the ability to be enforced. Each judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the

noncustodial parent.

(f) An order for support entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of the court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer.

Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment, bond shall be set in the amount of the child support that should have been paid during the period of unreported employment.

An order for support entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(g) An order for support entered or modified in a case in which a party is receiving child and spouse support services under Article X of the Illinois Public Aid Code shall include a provision requiring the noncustodial parent to notify the Illinois Department of Public Aid, within 7 days, of the name and address of any new employer of the noncustodial parent, whether the noncustodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy.

(h) In any subsequent action to enforce an order for support entered under this Act, upon sufficient showing that diligent effort has been made to ascertain the location of the noncustodial parent, service of process or provision of notice necessary in that action may be made at the last known address of the noncustodial parent, in any manner expressly provided by the Code of Civil Procedure or in this Act, which service shall be sufficient for purposes of due process.

(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(j) A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

Section 20. The Illinois Parentage Act of 1984 is amended by changing Section 20.7 as follows:

(750 ILCS 45/20.7)

Sec. 20.7. Interest on support obligations. A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

SENATE BILL RECALLED

On motion of Senator Philip, Senate Bill No. 1262 was recalled

[Apr. 4, 2001]

from the order of third reading to the order of second reading.

Senator Philip offered the following amendment and moved its adoption:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 1262, by replacing the title with the following:

"AN ACT concerning airport authorities."; and

by replacing everything after the enacting clause with the following:

"Section 5. The Airport Authorities Act is amended by adding Sections 13.2 and 13.3 as follows:

(70 ILCS 5/13.2 new)

Sec. 13.2. Capital improvement program and budget. Each airport authority organized under this Act may annually prepare and update a 5-year capital improvement program and yearly capital budgets based on the program. The purposes of the program are to (i) inventory the airport authority's capital assets, (ii) determine the match between needs and resources, (iii) plan for capital investments and the maintenance of existing facilities, (iv) analyze the relationships between capital maintenance and operating spending, and (v) assist the airport authority in competing for its fair share of State and federal moneys.

(70 ILCS 5/13.3 new)

Sec. 13.3. Appropriations for capital improvements. An airport authority that has prepared a capital improvement program under Section 13.2 may, in its annual appropriation ordinance, appropriate an amount not to exceed 3% of the equalized assessed value of property subject to taxation by the airport authority for the purpose of making specified capital improvements, acquisitions, repairs, or replacements of the airport authority's real property or equipment or tangible personal property. The amount appropriated for that purpose shall be deposited into a special fund known as the Capital Program Fund. Expenditures from the Capital Program Fund must be budgeted in the fiscal year in which the capital improvement, acquisition, repair, or replacement will occur. If any surplus moneys remain after the completion or abandonment of any object for which the Capital Program Fund was established, the moneys no longer necessary for capital improvement, acquisition, repair, or replacement shall be transferred into the airport authority's general corporate funds on the first day of the fiscal year following the abandonment or completion of the project or the discovery of the surplus moneys.

Section 99. Effective date. This Act takes effect upon becoming law."

The motion prevailed.

And the amendment was adopted and ordered printed.

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed; and the bill, as amended, was ordered to a third reading.

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 636 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Sections 27A-11, 27A-11.5, and 34-49 as follows:

(105 ILCS 5/27A-11)

Sec. 27A-11. Local financing.

(a) For purposes of the School Code, pupils enrolled in a charter school shall be included in the pupil enrollment of the school district within which the pupil resides. Each charter school (i) shall determine the school district in which each pupil who is enrolled in the charter school resides, (ii) shall report the aggregate number of pupils resident of a school district who are enrolled in the charter school to the school district in which those

[Apr. 4, 2001]

pupils reside, and (iii) shall maintain accurate records of daily attendance that shall be deemed sufficient to file claims under Section 18-8 notwithstanding any other requirements of that Section regarding hours of instruction and teacher certification.

(b) Except for a charter school established by referendum under Section 27A-6.5, as part of a charter school contract, the charter school and the local school board shall agree on funding and any services to be provided by the school district to the charter school. Agreed funding that a charter school is to receive from the local school board for a school year shall be paid in equal quarterly installments with the payment of the installment for the first quarter being made not later than July 1, unless the charter establishes a different payment schedule.

All services centrally or otherwise provided by the school district including, but not limited to, rent, food services, custodial services, maintenance, curriculum, media services, libraries, transportation, and warehousing shall be subject to negotiation between a charter school and the local school board and paid for out of the revenues negotiated pursuant to this subsection (b); provided that the local school board shall not attempt, by negotiation or otherwise, to obligate a charter school to provide pupil transportation for pupils for whom a district is not required to provide transportation under the criteria set forth in subsection (a)(13) of Section 27A-7.

In no event shall the funding be less than 75% or more than 125% of the school district's per capita student tuition multiplied by the number of students residing in the district who are enrolled in the charter school.

It is the intent of the General Assembly that funding and service agreements under this subsection (b) shall be neither a financial incentive nor a financial disincentive to the establishment of a charter school.

The charter school may set and collect reasonable fees. Fees collected from students enrolled at a charter school shall be retained by the charter school.

(c) Notwithstanding subsection (b) of this Section, the proportionate share of State and federal resources generated by students with disabilities or staff serving them shall be directed to charter schools enrolling those students by their school districts or administrative units. The proportionate share of moneys generated under other federal or State categorical aid programs shall be directed to charter schools serving students eligible for that aid.

(d) The governing body of a charter school is authorized to accept gifts, donations, or grants of any kind made to the charter school and to expend or use gifts, donations, or grants in accordance with the conditions prescribed by the donor; however, a gift, donation, or grant may not be accepted by the governing body if it is subject to any condition contrary to applicable law or contrary to the terms of the contract between the charter school and the local school board. Charter schools shall be encouraged to solicit and utilize community volunteer speakers and other instructional resources when providing instruction on the Holocaust and other historical events.

(e) (Blank).

(f) The State Board shall provide technical assistance, including information that clearly details the process, timelines, and criteria used to prepare and revise charter applications, to persons and groups preparing or revising charter applications. Other information, such as links to external resource organizations, may also be provided.

[Apr. 4, 2001]

(g) At the non-renewal or revocation of its charter, each charter school shall refund to the local board of education all unspent funds.

(h) A charter school is authorized to incur temporary, short term debt to pay operating expenses in anticipation of receipt of funds from the local school board.

(i) A charter school may (i) borrow money for the acquisition, construction, renovation, redevelopment, and equipping of school and educational facilities and for such other needs as determined by the governing body of the charter school, at such rates of interest as the governing body may determine, without regard to any referendum requirements, (ii) issue bonds, notes, and other obligations; and (iii) secure any of its obligations, including any obligation arising from the delivery of a guarantee described in subsection (k) of this Section, by pledge, mortgage, or deed on any or all of its property.

(j) The governing body of a charter school may pledge, as security for the payment of its obligations, grants or other revenues expected to be received from the local school board, the State, or the federal government or gifts, donations, or grants of any kind expected to be received by the charter school from any source.

Any such pledge is valid and binding from the time the pledge is made. The revenues, moneys, and other funds so pledged and thereafter received by the charter school shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act; and, subject only to the provisions of prior agreements, the lien of the pledge shall be valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the charter school irrespective of whether these parties have notice thereof. No ordinance, resolution, trust agreement, or other instrument by which the pledge is created needs to be filed or recorded except in the records of the charter school.

The State Treasurer, the State Comptroller, the Department of Revenue, the Department of Transportation, the State Superintendent of Education, any regional superintendent of schools, and the local school board shall deposit or cause to be deposited any amount of grants or other revenues expected to be received by a charter school from that official, entity, or local school board that have been pledged to the payment of obligations of the charter school, in accordance with the authorization of the charter school, directly into a designated escrow account established by and at the direction of the charter school. The resolution authorizing that deposit shall, within 10 days after adoption by the governing body of the charter school, be filed with the official, entity, or local school board having custody of the pledged grants or other revenues.

(k) A local school board may guarantee the repayment or otherwise enhance the credit of all or any portion of the debt obligations of a charter school located in the school district, without regard to any referendum requirements and subject to the terms negotiated between the local school board and the governing body of the charter school, provided that the term of any such guarantee or credit enhancement does not exceed 30 years.

(105 ILCS 5/27A-11.5)

Sec. 27A-11.5. State financing. The State Board of Education shall make the following funds available to school districts and charter schools:

(1) From a separate appropriation made to the State Board for purposes of this subdivision (1), the State Board shall make transition impact aid available to school districts that approve

[Apr. 4, 2001]

a new charter school or that have funds withheld by the State Board to fund a new charter school that is chartered by the State Board. The amount of the aid shall equal 90% of the per capita funding paid to the charter school during the first year of its initial charter term, 65% of the per capita funding paid to the charter school during the second year of its initial term, and 35% of the per capita funding paid to the charter school during the third year of its initial term. This transition impact aid shall be paid to the local school board in equal quarterly installments, with the payment of the installment for the first quarter being made by August 1st immediately preceding the first, second, and third years of the initial term. The district shall file an application for this aid with the State Board in a format designated by the State Board. If the appropriation is insufficient in any year to pay all approved claims, the impact aid shall be prorated. Transition impact aid shall be paid beginning in the 1999-2000 school year for charter schools that are in the first, second, or third year of their initial term. ~~If House Bill 230 of the 91st General Assembly becomes law, Transition impact aid shall not be paid for any charter school that is proposed and created by one or more boards of education, as authorized under the provisions of Public Act 91-405 House Bill 230 of the 91st General Assembly.~~

(2) From a separate appropriation made to the State Board for the purpose of this subdivision (2), the State Board shall make grants to charter schools in the amount of \$1,000 per student enrolled in the charter school to pay the charter school's ~~their start-up~~ costs of acquiring educational materials and supplies, textbooks, furniture, and other equipment, of acquiring, remodeling, and maintaining a suitable physical plant, and of any other needs as determined by the charter school needed during their initial term. ~~The State Board shall annually establish the time and manner of application for these grants, which shall not exceed \$250 per student enrolled in the charter school.~~

(3) The Charter Schools Revolving Loan Fund is created as a special fund in the State treasury. Federal funds, such other funds as may be made available for costs associated with the establishment of charter schools in Illinois, and amounts repaid by charter schools that have received a loan from the Charter Schools Revolving Loan Fund shall be deposited into the Charter Schools Revolving Loan Fund, and the moneys in the Charter Schools Revolving Loan Fund shall be appropriated to the State Board and used to provide interest-free loans to charter schools. These funds shall be used to pay start-up costs of acquiring educational materials and supplies, textbooks, furniture, and other equipment needed in the initial term of the charter school and for acquiring and remodeling a suitable physical plant, within the initial term of the charter school. Loans shall be limited to one loan per charter school and shall not exceed \$500 \$250 per student enrolled in the charter school. A loan shall be repaid by the end of the initial term of the charter school. The State Board may deduct amounts necessary to repay the loan from funds due to the charter school or may require that the local school board that authorized the charter school deduct such amounts from funds due the charter school and remit these amounts to the State Board, provided that the local school board shall not be responsible for repayment of the loan. The State Board may use up to 3% of the appropriation to contract with a non-profit entity to administer the loan program.

[Apr. 4, 2001]

(4) A charter school may apply for and shall receive, subject to the same restrictions applicable to school districts, any grant and programmatic funds administered by the State Board that is available for school districts.

(105 ILCS 5/34-49) (from Ch. 122, par. 34-49)

Sec. 34-49. Contracts, expense and liabilities without appropriation. No contract shall be made or expense or liability incurred by the board, or any member or committee thereof, or by any person for or in its behalf, notwithstanding the expenditure may have been ordered by the board, unless an appropriation therefor has been previously made. Neither the board, nor any member or committee, officer, head of any department or bureau, or employee thereof shall during a fiscal year expend or contract to be expended any money, or incur any liability, or enter into any contract which by its terms involves the expenditure of money for any of the purposes for which provision is made in the budget, in excess of the amounts appropriated in the budget. Any contract, verbal or written, made in violation of this Section is void as to the board, and no moneys belonging thereto shall be paid thereon. Provided, however, that the board may lease from any Public Building Commission created pursuant to the provisions of the Public Building Commission Act, approved July 5, 1955, as heretofore or hereafter amended, or from any individuals, partnerships or corporations, any real or personal property for the purpose of securing space for its school purposes or office or other space for its administrative functions for any period of time not exceeding 40 years, and such lease may be made and the obligation or expense thereunder incurred without making a previous appropriation therefor, except as otherwise provided in Section 34-21.1 of this Act. Provided that the board may enter into agreements, including lease and lease purchase agreements having a term not longer than 40 years from the date on which such agreements are entered into, with individuals, partnerships, or corporations for the construction of school buildings, school administrative offices, site development, and school support facilities. The board shall maintain exclusive possession of all such schools, school administrative offices, and school facilities which it is occupying or acquiring pursuant to any such lease or lease purchase agreement, and in addition shall have and exercise complete control over the education program conducted at such schools, offices and facilities. The board's contribution under any such lease or lease purchase agreement shall be limited to the use of the real estate and existing improvements on a rental basis which shall be exempt from any form of leasehold tax or assessment, but the interests of the board may be subordinated to the interests of a mortgage holder or holders acquired as security for additional improvements made on the property; however, (1)----Provided--that the board may enter into agreements, including lease and lease purchase agreements, having a term not longer than 40 years from the date on which such agreements are entered into for the provision of school buildings and related property and facilities for an agricultural science school pursuant to subparagraphs (8) through (10) of Section 34-21.1; and such agreements may be made and the obligations thereunder incurred without making a previous appropriation therefor, and (2) the board may enter into agreements to guarantee the repayment or otherwise enhance the credit of the debt obligations of a charter school as provided in subsection (k) of Section 27A-11 of this Code for a term not to exceed 30 years. This Section does not prevent the making of lawful contracts for the construction of buildings, the purchase of insurance, the leasing of equipment, the purchase of personal

[Apr. 4, 2001]

property by a conditional sales agreement, or the leasing of personal property under an agreement that upon compliance with the terms of which the board shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration, the term of which may be for periods of more than 1 year, but, in no case, shall such conditional sales agreements or leases of personal property by which the board may or will become the owner of the personal property, provide for the consideration to be paid during a period of time in excess of 10 years nor shall such contracts provide for the payment of interest in excess of the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract, on the unpaid balance owing; nor shall this Section prevent the making of lawful contracts for the purchase of fuel and the removal of ashes for a period from July 1 of any year to June 30 of the year following, or the making of lawful contracts for the transportation of pupils to and from school, or the entering into of employment contracts with individuals or groups of employees for any period not to exceed 4 years, or the entering into contracts with third parties for services otherwise performed by employees for any period not to exceed 5 years provided that the contracts with third parties for services provided at attendance centers shall specify that the principal of an attendance center shall have authority, to the maximum extent possible, to direct persons assigned to the attendance center pursuant to that contract, or the making of requirement contracts for not to exceed one year the terms of which may extend into the succeeding fiscal year provided, however, that such contracts contain a limitation on the amount to be expended and that such contracts shall impose no obligation on the board except pursuant to written purchase order.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

"Section 5. The Illinois Public Aid Code is amended by changing Section 10-16.5 as follows:

(305 ILCS 5/10-16.5)

Sec. 10-16.5. Interest on support obligations. A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

(Source: P.A. 91-397, eff. 1-1-00.)

Section 10. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 505 as follows:

(750 ILCS 5/505) (from Ch. 40, par. 505)

Sec. 505. Child support; contempt; penalties.

(a) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity of marriage, a proceeding for child support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, a proceeding for modification of a previous order for child support under Section 510 of this Act, or any proceeding authorized under Section 501 or 601 of this Act, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable and necessary for his support, without regard to marital misconduct. The duty of support owed to a minor child includes the obligation to provide for the reasonable and necessary physical, mental and emotional health needs of the child.

(1) The Court shall determine the minimum amount of support by using the following guidelines:

Number of Children	Percent of Supporting Party's Net Income
1	20%

[Apr. 4, 2001]

2	25%
3	32%
4	40%
5	45%
6 or more	50%

(2) The above guidelines shall be applied in each case unless the court makes a finding that application of the guidelines would be inappropriate, after considering the best interests of the child in light of evidence including but not limited to one or more of the following relevant factors:

- (a) the financial resources and needs of the child;
- (b) the financial resources and needs of the custodial parent;
- (c) the standard of living the child would have enjoyed had the marriage not been dissolved;
- (d) the physical and emotional condition of the child, and his educational needs; and
- (e) the financial resources and needs of the non-custodial parent.

If the court deviates from the guidelines, the court's finding shall state the amount of support that would have been required under the guidelines, if determinable. The court shall include the reason or reasons for the variance from the guidelines.

(3) "Net income" is defined as the total of all income from all sources, minus the following deductions:

- (a) Federal income tax (properly calculated withholding or estimated payments);
- (b) State income tax (properly calculated withholding or estimated payments);
- (c) Social Security (FICA payments);
- (d) Mandatory retirement contributions required by law or as a condition of employment;
- (e) Union dues;
- (f) Dependent and individual health/hospitalization insurance premiums;
- (g) Prior obligations of support or maintenance actually paid pursuant to a court order;
- (h) Expenditures for repayment of debts that represent reasonable and necessary expenses for the production of income, medical expenditures necessary to preserve life or health, reasonable expenditures for the benefit of the child and the other parent, exclusive of gifts. The court shall reduce net income in determining the minimum amount of support to be ordered only for the period that such payments are due and shall enter an order containing provisions for its self-executing modification upon termination of such payment period.

(4) In cases where the court order provides for health/hospitalization insurance coverage pursuant to Section 505.2 of this Act, the premiums for that insurance, or that portion of the premiums for which the supporting party is responsible in the case of insurance provided through an employer's health insurance plan where the employer pays a portion of the premiums, shall be subtracted from net income in determining the minimum amount of support to be ordered.

(4.5) In a proceeding for child support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, and in which the court is requiring payment of support for the period before the date an

order for current support is entered, there is a rebuttable presumption that the supporting party's net income for the prior period was the same as his or her net income at the time the order for current support is entered.

(5) If the net income cannot be determined because of default or any other reason, the court shall order support in an amount considered reasonable in the particular case. The final order in all cases shall state the support level in dollar amounts. However, if the court finds that the child support amount cannot be expressed exclusively as a dollar amount because all or a portion of the payor's net income is uncertain as to source, time of payment, or amount, the court may order a percentage amount of support in addition to a specific dollar amount and enter such other orders as may be necessary to determine and enforce, on a timely basis, the applicable support ordered.

(6) If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide child support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(a-5) In an action to enforce an order for support based on the respondent's failure to make support payments as required by the order, notice of proceedings to hold the respondent in contempt for that failure may be served on the respondent by personal service or by regular mail addressed to the respondent's last known address. The respondent's last known address may be determined from records of the clerk of the court, from the Federal Case Registry of Child Support Orders, or by any other reasonable means.

(b) Failure of either parent to comply with an order to pay support shall be punishable as in other cases of contempt. In addition to other penalties provided by law the Court may, after finding the parent guilty of contempt, order that the parent be:

(1) placed on probation with such conditions of probation as the Court deems advisable;

(2) sentenced to periodic imprisonment for a period not to exceed 6 months; provided, however, that the Court may permit the parent to be released for periods of time during the day or night to:

(A) work; or

(B) conduct a business or other self-employed occupation.

The Court may further order any part or all of the earnings of a parent during a sentence of periodic imprisonment paid to the Clerk of the Circuit Court or to the parent having custody or to the guardian having custody of the minor children of the sentenced parent for the support of said minor children until further order of the Court.

If there is a unity of interest and ownership sufficient to render no financial separation between a non-custodial parent and another person or persons or business entity, the court may pierce the ownership veil of the person, persons, or business entity to discover assets of the non-custodial parent held in the name of that

[Apr. 4, 2001]

person, those persons, or that business entity. The following circumstances are sufficient to authorize a court to order discovery of the assets of a person, persons, or business entity and to compel the application of any discovered assets toward payment on the judgment for support:

(1) the non-custodial parent and the person, persons, or business entity maintain records together.

(2) the non-custodial parent and the person, persons, or business entity fail to maintain an arms length relationship between themselves with regard to any assets.

(3) the non-custodial parent transfers assets to the person, persons, or business entity with the intent to perpetrate a fraud on the custodial parent.

With respect to assets which are real property, no order entered under this paragraph shall affect the rights of bona fide purchasers, mortgagees, judgment creditors, or other lien holders who acquire their interests in the property prior to the time a notice of lis pendens pursuant to the Code of Civil Procedure or a copy of the order is placed of record in the office of the recorder of deeds for the county in which the real property is located.

The court may also order in cases where the parent is 90 days or more delinquent in payment of support or has been adjudicated in arrears in an amount equal to 90 days obligation or more, that the parent's Illinois driving privileges be suspended until the court determines that the parent is in compliance with the order of support. The court may also order that the parent be issued a family financial responsibility driving permit that would allow limited driving privileges for employment and medical purposes in accordance with Section 7-702.1 of the Illinois Vehicle Code. The clerk of the circuit court shall certify the order suspending the driving privileges of the parent or granting the issuance of a family financial responsibility driving permit to the Secretary of State on forms prescribed by the Secretary. Upon receipt of the authenticated documents, the Secretary of State shall suspend the parent's driving privileges until further order of the court and shall, if ordered by the court, subject to the provisions of Section 7-702.1 of the Illinois Vehicle Code, issue a family financial responsibility driving permit to the parent.

In addition to the penalties or punishment that may be imposed under this Section, any person whose conduct constitutes a violation of Section 15 of the Non-Support Punishment Act may be prosecuted under that Act, and a person convicted under that Act may be sentenced in accordance with that Act. The sentence may include but need not be limited to a requirement that the person perform community service under Section 50 of that Act or participate in a work alternative program under Section 50 of that Act. A person may not be required to participate in a work alternative program under Section 50 of that Act if the person is currently participating in a work program pursuant to Section 505.1 of this Act.

A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

(c) A one-time charge of 20% is imposable upon the amount of past-due child support owed on July 1, 1988 which has accrued under a support order entered by the court. The charge shall be imposed in accordance with the provisions of Section 10-21 of the Illinois Public Aid Code and shall be enforced by the court upon petition.

(d) Any new or existing support order entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support thereunder, each such judgment to be

[Apr. 4, 2001]

in the amount of each payment or installment of support and each such judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each such judgment shall have the full force, effect and attributes of any other judgment of this State, including the ability to be enforced. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the noncustodial parent.

(e) When child support is to be paid through the clerk of the court in a county of 1,000,000 inhabitants or less, the order shall direct the obligor to pay to the clerk, in addition to the child support payments, all fees imposed by the county board under paragraph (3) of subsection (u) of Section 27.1 of the Clerks of Courts Act. Unless paid in cash or pursuant to an order for withholding, the payment of the fee shall be by a separate instrument from the support payment and shall be made to the order of the Clerk.

(f) All orders for support, when entered or modified, shall include a provision requiring the obligor to notify the court and, in cases in which a party is receiving child and spouse services under Article X of the Illinois Public Aid Code, the Illinois Department of Public Aid, within 7 days, (i) of the name and address of any new employer of the obligor, (ii) whether the obligor has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy, and (iii) of any new residential or mailing address or telephone number of the non-custodial parent. In any subsequent action to enforce a support order, upon a sufficient showing that a diligent effort has been made to ascertain the location of the non-custodial parent, service of process or provision of notice necessary in the case may be made at the last known address of the non-custodial parent in any manner expressly provided by the Code of Civil Procedure or this Act, which service shall be sufficient for purposes of due process.

(g) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(h) An order entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer. Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment bond shall be set in the amount of the child support that should have been paid during the period of unreported employment. An order entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or that of a minor child, or both, would be seriously endangered by disclosure of the party's address. Section 15. The Non-Support Punishment Act is amended by changing Section 20 as follows:

(750 ILCS 16/20)

Sec. 20. Entry of order for support; income withholding.

(a) In a case in which no court or administrative order for support is in effect against the defendant:

(1) at any time before the trial, upon motion of the State's Attorney, or of the Attorney General if the action has been instituted by his office, and upon notice to the defendant, or at the time of arraignment or as a condition of postponement of arraignment, the court may enter such temporary order for support as may seem just, providing for the support or maintenance of the spouse or child or children of the defendant, or both, pendente lite; or

(2) before trial with the consent of the defendant, or at the trial on entry of a plea of guilty, or after conviction, instead of imposing the penalty provided in this Act, or in addition thereto, the court may enter an order for support, subject to modification by the court from time to time as circumstances may require, directing the defendant to pay a certain sum for maintenance of the spouse, or for support of the child or children, or both.

(b) The court shall determine the amount of child support by using the guidelines and standards set forth in subsection (a) of Section 505 and in Section 505.2 of the Illinois Marriage and Dissolution of Marriage Act.

If (i) the non-custodial parent was properly served with a request for discovery of financial information relating to the non-custodial parent's ability to provide child support, (ii) the non-custodial parent failed to comply with the request, despite having been ordered to do so by the court, and (iii) the non-custodial parent is not present at the hearing to determine support despite having received proper notice, then any relevant financial information concerning the non-custodial parent's ability to provide support that was obtained pursuant to subpoena and proper notice shall be admitted into evidence without the need to establish any further foundation for its admission.

(c) The court shall determine the amount of maintenance using the standards set forth in Section 504 of the Illinois Marriage and Dissolution of Marriage Act.

(d) The court may, for violation of any order under this Section, punish the offender as for a contempt of court, but no pendente lite order shall remain in effect longer than 4 months, or after the discharge of any panel of jurors summoned for service thereafter in such court, whichever is sooner.

(e) Any order for support entered by the court under this Section shall be deemed to be a series of judgments against the person obligated to pay support under the judgments, each such judgment to be in the amount of each payment or installment of support and each judgment to be deemed entered as of the date the corresponding payment or installment becomes due under the terms of the support order. Each judgment shall have the full force, effect, and attributes of any other judgment of this State, including the ability to be enforced. Each judgment is subject to modification or termination only in accordance with Section 510 of the Illinois Marriage and Dissolution of Marriage Act. A lien arises by operation of law against the real and personal property of the noncustodial parent for each installment of overdue support owed by the

[Apr. 4, 2001]

noncustodial parent.

(f) An order for support entered under this Section shall include a provision requiring the obligor to report to the obligee and to the clerk of the court within 10 days each time the obligor obtains new employment, and each time the obligor's employment is terminated for any reason. The report shall be in writing and shall, in the case of new employment, include the name and address of the new employer.

Failure to report new employment or the termination of current employment, if coupled with nonpayment of support for a period in excess of 60 days, is indirect criminal contempt. For any obligor arrested for failure to report new employment, bond shall be set in the amount of the child support that should have been paid during the period of unreported employment.

An order for support entered under this Section shall also include a provision requiring the obligor and obligee parents to advise each other of a change in residence within 5 days of the change except when the court finds that the physical, mental, or emotional health of a party or of a minor child, or both, would be seriously endangered by disclosure of the party's address.

(g) An order for support entered or modified in a case in which a party is receiving child and spouse support services under Article X of the Illinois Public Aid Code shall include a provision requiring the noncustodial parent to notify the Illinois Department of Public Aid, within 7 days, of the name and address of any new employer of the noncustodial parent, whether the noncustodial parent has access to health insurance coverage through the employer or other group coverage and, if so, the policy name and number and the names of persons covered under the policy.

(h) In any subsequent action to enforce an order for support entered under this Act, upon sufficient showing that diligent effort has been made to ascertain the location of the noncustodial parent, service of process or provision of notice necessary in that action may be made at the last known address of the noncustodial parent, in any manner expressly provided by the Code of Civil Procedure or in this Act, which service shall be sufficient for purposes of due process.

(i) An order for support shall include a date on which the current support obligation terminates. The termination date shall be no earlier than the date on which the child covered by the order will attain the age of majority or is otherwise emancipated. The order for support shall state that the termination date does not apply to any arrearage that may remain unpaid on that date. Nothing in this subsection shall be construed to prevent the court from modifying the order.

(j) A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

Section 20. The Illinois Parentage Act of 1984 is amended by changing Section 20.7 as follows:

(750 ILCS 45/20.7)

Sec. 20.7. Interest on support obligations. A support obligation, or any portion of a support obligation, which becomes due and remains unpaid for 30 days or more shall accrue simple interest at the rate of 9% per annum.

SENATE BILL RECALLED

On motion of Senator Philip, Senate Bill No. 1262 was recalled

[Apr. 4, 2001]

from the order of third reading to the order of second reading.

Senator Philip offered the following amendment and moved its adoption:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 1262, by replacing the title with the following:

"AN ACT concerning airport authorities."; and

by replacing everything after the enacting clause with the following:

"Section 5. The Airport Authorities Act is amended by adding Sections 13.2 and 13.3 as follows:

(70 ILCS 5/13.2 new)

Sec. 13.2. Capital improvement program and budget. Each airport authority organized under this Act may annually prepare and update a 5-year capital improvement program and yearly capital budgets based on the program. The purposes of the program are to (i) inventory the airport authority's capital assets, (ii) determine the match between needs and resources, (iii) plan for capital investments and the maintenance of existing facilities, (iv) analyze the relationships between capital maintenance and operating spending, and (v) assist the airport authority in competing for its fair share of State and federal moneys.

(70 ILCS 5/13.3 new)

Sec. 13.3. Appropriations for capital improvements. An airport authority that has prepared a capital improvement program under Section 13.2 may, in its annual appropriation ordinance, appropriate an amount not to exceed 3% of the equalized assessed value of property subject to taxation by the airport authority for the purpose of making specified capital improvements, acquisitions, repairs, or replacements of the airport authority's real property or equipment or tangible personal property. The amount appropriated for that purpose shall be deposited into a special fund known as the Capital Program Fund. Expenditures from the Capital Program Fund must be budgeted in the fiscal year in which the capital improvement, acquisition, repair, or replacement will occur. If any surplus moneys remain after the completion or abandonment of any object for which the Capital Program Fund was established, the moneys no longer necessary for capital improvement, acquisition, repair, or replacement shall be transferred into the airport authority's general corporate funds on the first day of the fiscal year following the abandonment or completion of the project or the discovery of the surplus moneys.

Section 99. Effective date. This Act takes effect upon becoming law."
